

Heep Hong Society Integrated Service Complex

The Heep Hong Society Integrated Service Complex is the first of its kind in Hong Kong providing one-stop education and training services for children and youth with diverse needs. The new building houses a special child care centre, an early education and training centre, a parents resource centre with enhanced and a diverse range of onsite school support services, youth vocational training as well as Supportive Learning Project programmes and services.

One-stop and all-round support for children and youth

The new 10-storey building occupies a site area of 707 sq.m. with a gross floor space of 4,300 sq.m.. Equipped with innovative facilities and advanced equipment, including the first indoor hydrotherapy pool of Heep Hong Society and the STAR Café, our Integrated Service Complex provides a comprehensive range of support services at one stop to cater to the diverse needs of pre-school children, school-aged children, youth and their families.

Our Integrated Service Complex belongs to every child, graduate and family member of Heep Hong Society. You are most welcome to join our activities and make use of our facilities!
