### **About Heep Hong Society**

Established in 1963, Heep Hong Society is a leading education and rehabilitation organisation offering professional assessment, guidance, training and family support services. We are committed to helping children and young people of different abilities maximise their full potential, empower families and contribute to an inclusive society.

Our team of professionals includes psychologists, speech therapists, physiotherapists, occupational therapists, nurses, social workers and teachers. We serve more than 23,000 children, young people and parents every year at our service units, as well as mainstream kindergartens, primary and secondary schools. As an innovative service provider, Heep Hong Society is dedicated to researching evidence-based treatment approaches and promoting the development of integrated education and the rehabilitation sector through research, training and publishing.

### **About The Great Chefs of Hong Kong**

Heep Hong Society has organized the “Great Chefs of Hong Kong” since 1990. The event brings together the star chefs from the top restaurants and hotel, to serve their signature dishes in food stall style in support of charity. Food lovers and generous donors can savour the tastes of global cuisine and interact with chefs on the spot! The event has been held for 26 sessions, with as many as 50 hotels and restaurants participating each year, and also the support from nearly a thousand guests. The funds raised will be used to support our Parents Resource Center to help children and families with special educational needs and developmental difficulties.
