

FOR EVERYONE

Online Special Needs Resource Hub

A multilingual online special needs resource hub will be launched in 2027. It serves as a one-stop information hub for families of child with special needs to understand the government rehabilitation and education system and to equip them with knowledge and resources of supporting children development.

The resource hub will be available in Hindi, Urdu, Nepali, Chinese & English.

FOR PROFESSIONALS

Train-the-trainer Workshop

The train-the-trainer workshop series is for professionals, university and college students, and volunteers to better work with multicultural families and children with special needs.

Workshop Duration

2 Hours

Number of Participants

10-20 Participants

Workshop Fee

FREE

OTHER REMINDERS

- Schools or organizations can consider taking part in all or specific project component(s)
- Customization for parent workshops is available upon discussion to better align with the needs of the students and their caregivers

HOW TO PARTICIPATE

ABOUT US

Funded by the CTF Services Charity Foundation, Heep Hong Society's Project Guiding Glows is a one-year, territory-wide initiative dedicated to fostering an inclusive society. The project **establishes a multilingual online resource hub** designed to support the community, with a special focus on empowering multicultural caregivers of children with special needs by **enhancing their caregiving capacities and specialized knowledge**.

Together, we strive to **build a sustainable support ecosystem** for caregivers of SEN children by providing lasting resources, equipping stakeholders with essential knowledge, and nurturing vibrant, peer-led community networks.

Project Target

- ★ Multicultural Caregivers of Children with Suspected or Diagnosed Special Needs
- ★ Professionals, University and College Students, and Volunteers Supporting Multicultural Caregivers and Children with Special Needs
- ★ General Public

PARENT WORKSHOP ON SENSORY INTEGRATION

Sensory integration is our brain's ability to process and integrate information from our senses. It often plays an important role in the learning and development of children with special needs.

Workshop Target

- ★ Multicultural Caregivers of Children Receiving Pre-school Rehabilitation Service (e.g. EETC/OPRS/IP/SCCC)

Workshop Objective

- To understand how sensory integration affects children's learning and social-emotional behaviors
- To learn how to support children's sensory integration in relation to their learning

Workshop Components

- Interactive, experiential activities to learn about sensory integration
- Delivered in English with interpretation support

Workshop Duration

1 Session (1.5 Hours)

Number of Participants

10-15 Participants

Workshop Fee

Free

Attendees will grant priority access to future family outing activities, exploring public facilities supporting the development of sensory integration across Hong Kong.

FOR PARENTS

FOR PARENTS

PARENT WORKSHOP ON SOCIAL STORY

Social Stories are short, personalized narratives developed by Carol Gray in 1990 to help individuals, particularly those with special needs, understand social situations, expectations, and emotions.

Workshop Target

- ★ Multicultural Caregivers of Children with Suspected or Diagnosed Special Needs Studying in Mainstream Primary School

Workshop Objective

- To learn what is social story
- To learn how social stories can enhance children's understanding of social situations and expectations

Workshop Components

- Create a unique social story for your child
- Delivered in English with interpretation support

Workshop Duration

2 Sessions (1.5 Hours Each)

Number of Participants

6-10 Participants

Workshop Fee

FREE

Development assessment at the charitable price of \$500 will be prioritized to participants of children with suspected special needs who complete both sessions on a first-come, first-served basis
