

TRAIN-THE-TRAINER WORKSHOP SERIES

Project Period: 1st August 2026 - 31st July 2027

Heep Hong Society's Project Guiding Glows is a one-year project, funded by CTF Services Charity Foundation, that aims to empower multicultural caregivers of children with special needs.

The Train-the-trainer workshops series is for professionals, university and college students, and volunteers to better work with multicultural families and children with special needs.

The project offers workshops to organizations and professionals who are interested in the following three topics:

1
